

NEW SHOWROOM UNVEILED!

You may have heard, here at Buoyant Upholstery, we've been working hard over the last few months to renovate our showroom and build a new, inspiring Design office. We are very excited to announce that this is now complete!

We would like to welcome visitors to our brand new showroom. Keep an eye open for when our open days will be taking place where we will be showcasing our latest British made sofas and accent pieces.

BUOYANT LAUNCHES FABULOUS NEW MODELS AT MANCHESTER FURNITURE SHOW!

Despite the difficult trading times faced by the furniture trade, Buoyant enjoyed excellent results at the Manchester Furniture Show. The launch of the new models, Champ, Stella, Tizzy and Salute were extremely well received.

Mike Aramayo, MD said: "this year has so far proved to be extremely difficult for everybody involved in the trade, both retailers and manufacturers alike, but Buoyant is excellently placed to be able to ride out the storm and continue to provide the assurance of quality, value for money product backed up by excellent levels of service."

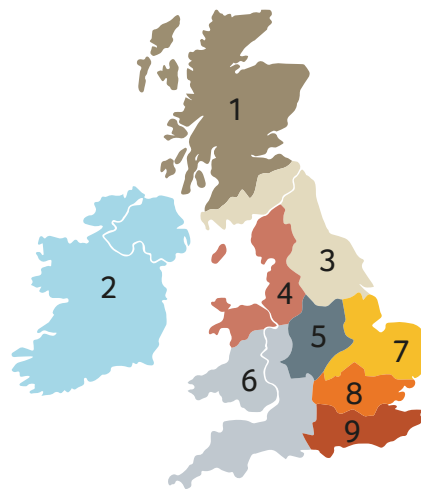

If you didn't get a chance to visit us at the Manchester Furniture Show, or can't visit us on our showroom open days, don't worry because our sales agents will be visiting your area in our show vans soon.

* We would like to welcome Stuart Gilchrist to Buoyant, who will be located in the Scotland area as one of our Sales Agents. Stuart will be joining us on the 1st September.
