

Environmental POLICY

1. The Policy of Buoyant Upholstery is to reduce of amount of waste going to landfill on an annual basis and to ensure the area around the site is kept clean and tidy at all times.
2. It is this Company's intention that this work will be carried out in accordance with the relevant statutory provisions and all reasonably practicable measures taken to avoid risk to its employees or others who may be affected.
3. The Board of Directors have appointed Andrew Burnett as having particular responsibility for environmental policy, to whom reference should be made in the event of any difficulty arising in the implementation of this policy.
4. The operation of this policy will be monitored by the Directors.
5. The organisation and arrangement for implementing the policy will also be available for inspection by any External Auditors.
